

“Research is creating new knowledge” – Neil Armstrong

NURSING MATTERS- Our Director of Nursing and Patient Care Services Lynda Olender, PhDc, ANP, NEA-BC, RN in collaboration with Donna Brassil, RN, Clinical Research Nurse Facilitator are promoting a **Relationship Based Clinical Research Care Teams** in order to maximize consistency among research team members (PI, CRC, CRN, NA), promoting enhanced collaboration and teamwork in the planning for, and execution of, research protocols.

NEWS FROM OUR STAFF

Abigail Thomas, RN joined Association of Critical Care Nurses (AACN) and renewed her Emergency Nurse Association (ENA) membership
Regina Butler, RN, Jyotika Nayi, RN, and Inna Popil, RN, CNS attended and completed IV certification class.

Abstract submitted by Karen Hoary, RN, Abigail Thomas, RN, and Lisa Tsatsas, RN entitled *“Clinical Research Nurses Team Up With Principle Investigators to Enhance the Research Process: A Relationship-Based Model of Clinical Research Care”* has been **accepted for a poster presentation** at the International Association of Clinical Research Nurses 2013 conference to be held on October 23-25, 2013 at the Hyatt Regency Mission Bay Spa & Marina in San Diego, CA.

The inpatient staff, Ms. Ellen Martin, RN and Ms. Regina Butler, RN, have submitted an abstract designed to address the examination of nursing work intensity within a select research protocol designed for a complex nursing participant population.
